Microsoft No Longer Supporting Old Versions of Internet Explorer

ORT Alert!

Microsoft No Longer Supporting Old Versions of Internet Explorer

Effective **January 12, 2016**, Microsoft no longer provides security updates or technical support for versions of Internet Explorer ("IE") older than IE 11. To ensure you will encounter the most efficient and effective use of applications and future enhancements to the technology Old Republic Title provides, we encourage IE users to [upgrade](#) to version #11 immediately. Updating to IE 11 will not only assure you are operating on the strongest internet browser available but will also protect you from patch vulnerabilities which keep you and your data safer.

» You can quickly upgrade to IE 11, [here](#).
