How Compliant Are You With ALTA Best Practices?

If you are adopting ALTA's Best Practices, are you uncertain how compliant you are? We can help you answer that question, *and more*.

Through an arrangement with Habif, Arogeti & Wynne, LLP ("[HA&W](#)"), a top 50 certified public accounting firm, Old Republic Title has a new resource available for our agents who want to take the uncertainty out of compliance with ALTA Best Practices. HA&W's [Compliance Success Program](#) provides ALTA Best Practice benchmarking and assurance reporting services. This program is ideal for those seeking an independent, third party review of their Best Practices. The program can be used in addition to the continuous assessment Old Republic Title's own Agency Risk Management and Mitigation programs provide.
