We have a new Company logo...

We have launched a new branding initiative which includes an updated Company logo. If you currently display the Old Republic National Title Insurance Company logo on your website you will need to replace it with the new, approved logo.

There are two color versions of the new logo for you to select from, 'Blue' and 'Black' (see samples below) and also a 'Transparent' version. The logo can be placed on top of a blue, black or white background and should not be encroached upon by other logos and/or text.

» Please contact me via email at: jmonacelli@oldrepublictitle.com,
to obtain the new logo in either JPEG, PDF, PNG and/or EPS format(s).

Logo Usage Guidelines:

Old Republic Title requires that its Company logo not be further reproduced, altered, copied or shared beyond approved use on your website. Should your affiliation with Old Republic Title terminate, use of our Company logo must cease and be removed from your website.
