Another Tool To Help You Get To Know The Rule
CFPB's TILA-RESPA Compliance Guide

On **March 31, 2014**, the Consumer Financial Protection Bureau ("CFPB") published its [TILA-RESPA Integrated Disclosure Rule - Small Entity Compliance Guide](#). The 89-page guide is a useful resource to become more familiar with the Integrated Mortgage Disclosure Rule under the Real Estate Settlement Procedures Act ("RESPA") and the Truth In Lending Act ("TILA"), which takes effect on **August 1, 2015**. Specifics about the effective date, what transactions are covered under the Rule and other important implementation information, can be found in the [Compliance Guide](#), formatted as a question & answer.

This is just another resource to help you 'stay in the game' and ahead of compliance. Education on this Rule is not "one-stop-shopping"; we all need to seek opportunities such as Old Republic's Continuing Education programs and other available training, to learn more. Doing so will help you begin mapping out changes to your processes, discussions with your software provider(s) and conversations with your real estate agent and lender partners.

As always, Old Republic National Title Insurance Company is committed to your success!
