We want to remind you that implementation of the *new* version of our CPL system, **CPL 3.0**, will begin this Friday evening, **February 8th**.

Please note that while the implementation process is underway (February 8th at 10 pm through Saturday, February 9th at 2 pm), the **CPL and Agent Verification** systems will be **unavailable for use**.

In addition to the [CPL 3.0 - What's New](#) and [CPL 3.0 - Quick Guide](#) documents we sent last week, we now have a helpful [training video](#) available for viewing on the home page of the [StarsLink](#) website.

Please note: It will take a few minutes for the video to load and once completed, is ready to view (20-minutes in length).

Once the new **CPL 3.0** system implementation is complete, all of the existing CPL letter data and lookup lists for Agent Contacts, Lenders, Branch Offices and Closing Attorneys will still be available, and accessible, in the new system.

However, our IT Department must complete some minimal data conversion and cleanup efforts in order for the new **CPL 3.0** features to function properly. That process will include setting a 'Status' to all existing letters in order to utilize the "Update", "Cancel" and "Close" features and removing any text from telephone & fax numbers due to formatting validations in the system. The specifics of this process ...
