

# OLD REPUBLIC TITLE

## Top Mobile Apps for Realtors®

**HootSuite** | iPhone | iPad | Android | Computer

Acts as a social media and/or brand management system. This app's dashboard supports social network integrations for Twitter, Facebook, LinkedIn, Google+, Foursquare, MySpace, WordPress, TrendSpottr and Mixi.

**Snapseed** | iPhone | Android

A high quality photo editing app with easy-to-use touch interface, multiple adjustment options and creative tools.

**Jumpcam** | iPhone | Android

This app allows for the collaboration of fun and interesting videos with your friends, family or even the people around you. You're able to start a video and invite others to add clips to your existing footage.

**GoConnect** | iPhone | Android

Acts as a mobile CRM for real estate agents -- a great tool in organizing all tasks, business events and contacts through one outlet.

**Open Home Pro** | iPhone | Android

Agents use this app in order to better manage and prioritize their open house leads, gain quality information, and even automate follow-ups. This is a beneficial way to set you apart from others in the market - while also eliminating extra paper on your desk!

**DocuSign** | iPhone | Android

DocuSign allows you to sign documents electronically or even send for others' electronic signatures in minutes.

**DocuSign Transaction Rooms** | iPhone | Android

Similar to DocuSign, DocuSign Transaction Rooms provides a secure way for real estate professionals to manage, share and eSign documents from literally anywhere at anytime.

**Magic Plan** | iPhone | Android

MagicPlan measures your rooms and draws your floor plan just by taking pictures. You simply add objects, annotations and attributes to create an inside map.

**Canva** | iPad | Computer

Making design simple -- Canva allows you to create designs for web or print: blog graphics, presentations, Facebook covers, flyers, posters, invitations, etc.

**Videolicious** | iPhone | iPad | Computer

Designed to make high quality video creation even easier and faster! Instantly weave together interviews, videos, photos, music and more into a sophisticated video production—in seconds!
