

For most people, YOUR HOME IS THE SINGLE LARGEST FINANCIAL INVESTMENT YOU WILL EVER MAKE.

Obtaining a Residential Owner's Policy of Title Insurance (Residential Owner's Policy) protects that investment. At Old Republic National Title Insurance Company, we strive to provide our customers with the information necessary to make informed decisions about their Residential Owner's Policy. When you received your Commitment for Title Insurance, you also received a form asking if you would like to purchase additional coverages that enhance the standard coverage of your Residential Owner's Policy. The enhanced coverages for Texas are explained in more detail below.

Amendment of Exception to Area & Boundaries (T-1R)*

Your standard Residential Owner's Policy will contain the following exception to coverage: *"Any discrepancies, conflicts, or shortages in area or boundary lines, or any encroachments or protrusions, or any overlapping of improvements."*

If you purchase this enhanced coverage, that means the paragraph above will be amended to read: *"Shortages in area."* You will be insured for loss, costs, and attorney's fees and expenses resulting from discrepancies, conflicts in boundary lines, encroachment, protrusions, or overlapping of improvements not shown on your survey and not known at the time of closing.

What is the Cost?

The Amendment of Exception to Area & Boundaries is 5% of your basic title insurance premium, but not less than \$50.

If **BOTH** coverages are purchased, then the cost of the Restrictions, Encroachments and Minerals Endorsement is reduced to only 5% of your basic title insurance premium. That means you receive both coverages for the price of one. Remember, the charges for enhanced coverages are one-time-only fees collected at closing. If purchased, the enhanced coverages last for as long as you or your heirs own your home—whether that is five years or 105 years!

Whether you are buying your first home or your fifth, we understand the closing process can be stressful. If there is anything we can do to make the process easier, please do not hesitate to contact your escrow officer.

Restrictions, Encroachments, Minerals Endorsement (T-19.1)*

If you purchase this enhanced coverage, the T-19.1 endorsement will be attached to, and become part of, your Residential Owner's Policy. Amongst other covered matters, and unless otherwise deleted, the T-19.1 endorsement provides additional coverage for the following:

Restrictions: Unknown violations of enforceable restrictive covenants existing as of the date of your Residential Owner's Policy.

Encroachments: Encroachments of your improvements onto neighboring land or your neighbor's improvements encroaching onto your land which are not shown on your survey.

Minerals: Certain damages to the surface of your land resulting from the extraction or development of minerals.

What is the Cost?

The Restrictions, Encroachments and Minerals Endorsement (T-19.1) is 10% of your basic title insurance premium if purchased alone, but not less than \$50.

***Don't Forget:** A satisfactory survey of the property is necessary to obtain the enhanced coverages discussed above. After receipt of the survey, Old Republic Title may make specific exceptions in your Residential Owner's Policy to matters shown on the survey or delete certain provisions of the T-19.1 endorsement. Consequently, it is important to understand that you will not have coverages for matters reflected on your current survey or matters known at the time of closing.
